

# Hands-on 4

## 1) Date Picker :

The screenshot shows a web browser window with the address bar displaying a file path. Below the browser, there is a form titled "Enter Date" with a text input field and a calendar icon button to its right.

## 2) Employee Form :

The screenshot shows a mobile application interface for a payroll system. At the top, there is a dark header with the word "Payroll" and a menu icon. Below the header, the title "New Employee" is displayed. The form is divided into two columns of input fields. The left column contains fields for First Name, Middle Name, Last Name, Address Line 1, Address Line 2, Email, Password, and Confirm Password. The right column contains fields for Address Line 2, Email, Password, Confirm Password, Department (a dropdown menu with "CDE" selected), Date of Birth (with a calendar icon), Gender (radio buttons for Male and Female), and a checkbox for Permanent. At the bottom right, there is a green "Save" button. The bottom of the screen shows a mobile navigation bar with three icons.
